

June 1, 2011

Dear Parents/Guardians:

Just one short month and our 2010 - 2011 Early Learning Program Year will come to an end. On behalf of the staff, I would like to thank all of our families for enrolling your child/ren in our program and for being a part of our CDC Community! We consider it a privilege that you have provided us with the opportunity to assist you with your child's overall development and well being.

To celebrate the end of the preschool year we will host a potluck picnic in the Playgrounds. Please bring a (dish) of healthy food that can be shared between other children /families. ELP will provide paper plate, utensils, and napkins.

We will have a signup sheet posted in the ELP entrance by June 17th. Please RSVP with the number of adults and children that will be attending by June 24th.

Please bring lawn chairs, blankets, sunscreen, hats etc for you and your family.

Quick Reminders:

Please remember the preschool children and staff will be going outside to play during each session. Children are welcome to wear one pair of shoes now that it is dry outside.

Sun Safety

In order to protect the children from an over exposure to the sun we are recommending the following precautions:

- a sun hat
- a light, loose fitting shirt
- sunscreen that is at least 15 SPF (please apply sunscreen to your child before leaving home)
- As we have limited shade in the playground we will be limiting the outside play when it is warmer than +25 to no more than 15 minutes at a time.

Thank you to the Carmichael, Webster, Callison, & Polvi families for their recent donations of toys and equipment
